

Medical Marijuana Ordinance  
Meeting Minutes 04/12/16

Meeting called to order @ 07:09pm by Chairman MacMaster

Committee members present – Les MacMaster, Diann Perkins, Sarah Gormady, Dan Drake.

There were also two interested citizens in attendance, as well as one Selectman.

**Item 1 – Housekeeping**

Les opened the meeting with a review of recent local news (specifically the new Biddeford moratorium). The conversation was wide-ranging and consumed the bulk of the meeting. I'm not sure how to characterize the meeting, other than a great deal of information was exchanged among the attendees.

**Item 2 – Cornish Ordinance**

The group then reviewed the “purpose” statement of our proposed Ordinance. We discussed content, tone, wording and several other aspects of the introduction. We did not come to any decision regarding the specific wording to be used. Les will attempt to create a “purpose” statement to be reviewed by all.

Les will distribute a “Revision 1” ordinance to interested parties for review prior to the next meeting, April 26 at 07:00pm at Pike Hall.

The meeting was adjourned at 9:02.
