DEDICATION AND THANK YOU

Kenneth Hall pictured below with his wife Jean, was honored with the Spirit of America Foundation Award for outstanding community service, at a ceremony hosted by the York County Commissioners

Ken has proven his continual dedication to the town of Cornish through unrelenting commitment to serving his community with no expectation of recognition or reward. He has also served on the town's planning board for the past several years offering vast wisdom on a host of subjects. Additionally, he is a WW2 veteran that worked hard to maintain this nation's security while in service. Thank you Ken!

GUIDELINES TO ATENDING A TOWN MEETING

- If you wish to speak, wait until the Moderator has opened the floor to public comments. When the Moderator has recognized you, stand, state your name for the record, the agenda item and nature of your business.
- Please refrain from discussion on the article if you have a conflict of interest in any article.
- The Moderator will not entertain public comment about specific individuals.
- The Moderator has the right to set a time limit for comments. Be prepared to state your business in a brief and concise manner.
- During a Public Meeting, only the subject matter can be discussed.
- Comments should always be courteous. Personal and accusatory comments are out of order. Profanity, disorderly language or gestures at meetings are prohibited.
- At no time will the public be allowed to argue, debate or introduce a topic that is not on the agenda.
- During discussion, the audience shall not disturb the proceedings by whispering, talking or other distractions

ANNUAL REPORT TOWN OF CORNISH, ME

Report of the municipal officers of the Town of Cornish, Maine, covering the period between February 1, 2016 and January 31, 2017.

Please review and call the Town Office prior to Annual Town Meeting with questions as they may require research. You may ask questions at the Town Meeting, but prior knowledge will assure a prompt and more detailed answer.

Under the secret method of balloting for town officers, and in order to comply with the laws of the State of Maine governing the same, the schedule will be as follows.

Monday, March 20, 2017

2:00PM-6:00PM	Opening of Polls and Election of Town Officials
6:00PM-7:00PM	Recess
7:00PM-adjournment	Town Meeting Voting on Articles in Warrant

The secret ballot laws provide that all officers are to be elected by a plurality vote. In other words, if there should be three or more candidates for any one office, the one receiving the greatest number of votes, not necessarily a majority, is declared the winner.

The Municipal Office is open as follows:

Monday to Wednesday	8:00AM-3:00PM
Thursday	8:00AM-12:00 (Noon) and 1:00PM-6:00PM
Friday	8:00AM-3:00PM
1 st Saturday each month	8:00AM-12:00 Noon

The **Selectmen** meet every other Wednesday from 5:00PM to conclusion of business at Town Office.

Planning Board meetings occur on the 1st Monday each month & workshops on the 3rd Monday each month at 6:30PM. Items for the agenda must be submitted 10 (ten) business days in advance.

Code Enforcement Officer/Plumbing Inspector Hours: Mon. 6:00PM-8:00PM, phone 207-625-7000

Dear Citizens of Cornish:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve the Town of Cornish and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County state office at (207) 273-1101 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Dear Friends of Cornish,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbeque dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that "Bath Built is Best Built," which is why I've fought to authorize funding for Navy ships built at BW. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibility every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me "one of the most serious and hard-working members" of the Committee, and that's a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207)622-8292, Bangor: (207)945-8000, Presque Isle (207)764-5124, Scarborough (207)883-1588, or Washington, D.C. (202)224-5344. You can also write me on our website at www.king.senate.gov/contact.

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.

Science, Environment, and Related
Agencies

Dear Friend,

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

As always, the interests of my constituents are what guide my work. There are many things I could talk about in that regard. But I want to focus here on one issue of particular importance—economic development. Having good-paying jobs allows future generations to make this wonderful state their home. With that goal in mind, I'm working to address Maine's economic challenges and capitalize on its opportunities.

One such opportunity is agriculture, where Maine is bucking national trends. The average age of our farmers is actually going down while acreage in cultivation is going up. Consumer demand for local food is driving that growth. I've been successful in reforming federal policies to help farmers and processors meet that demand. My work will continue this year as Congress reauthorizes the Farm Bill.

I'm also working to support jobs in our coastal communities. Last year, I helped block Sweden's proposed ban on the export of Maine lobsters to the European Union. I also introduced legislation to lift unnecessary regulations on seafood exporters and invest in working waterfront infrastructure.

On the House Appropriations Committee, I'm defending federal programs that support jobs throughout Maine. These programs invest in worthy projects that are beyond the reach of private, municipal, or state resources. In our state, they provide loans to small businesses, clean polluted sites for redevelopment, find new marketable uses for Maine's natural resources, build broadband infrastructure, and much more.

Aside from economic development, advocating for Maine veterans is one of my highest priorities. With Congress' current agenda, I'm also fighting to defend Medicare and Social Security, protect clean air and water, and ensure that our communities have the resources to address hunger, homelessness and lack of health care access.

Just as important as my policy work in Washington is what my office does to help individuals in Maine. Every year, my staff helps hundreds of constituents who have issues with federal agencies or programs. Please call my Portland office at (207) 774-5019 for assistance. It's an honor to serve you.

Take care,

Chellie Pingree

Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors,

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am humbled that you have put your trust in me for a second term and can assure you I will continue to work tirelessly on your behalf. This is a brief recap of the 127th Legislature, as well as my hopes for the upcoming 128th Legislature, which convened in December.

Last year we continued the work of reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco and lottery tickets with welfare benefits. While there is more work to be done, I believe these efforts will help to deter such abuse of the system and help ensure that benefits are going to those who truly need them.

The Legislature also worked in a bipartisan fashion to begin addressing the drug crisis affecting our state. We approved putting 10 new drug enforcement agents on the street, as well as provided funding for treatment programs and drug use prevention efforts. I believe such a comprehensive approach is essential and I look forward to continuing to address this problem facing our state. We must also continue to fight the drug epidemic threatening our state and hurting our families.

In the upcoming session, it is clear that we must continue to do all we can to attract more jobs to Maine. To that end, I will work to advocate for proposals which will expand economic opportunity for all Mainers. It is my hope the Legislature can once again work together to find solutions to these widespread problems.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or dcwoodsone@gmail.com if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

A handwritten signature in black ink that reads "David C. Woodsome". The signature is written in a cursive style with a large, looped 'D' and a trailing flourish.

January 2017

Dear Friends and Neighbors:

It is an honor to represent District 68 in the Maine State Legislature. As you may know, I previously served in the Maine House of Representatives for eight years between 2004 and 2012. After a break from public service, I am happy and excited to be back in Augusta, ready to tackle a number of issues that the State of Maine currently faces.

Legislative leadership has appointed me to serve on the Joint Standing Committee on Transportation. On this panel, the other members and I will oversee issues regarding the Department of Transportation, Maine Turnpike Authority, Highway Fund and more. Your input, as citizens and constituents, will be greatly appreciated as we work to continue to make Maine's transportation system more effective and efficient.

I was elected to the Maine Legislature on the promise to represent you, the people of District 68. To do this, I will be seeking your input regularly and want to hear from you with your comments and concerns. Please call me anytime at **693-6782**, or email me at Rich.Cebra@legislature.maine.gov, to keep me updated on those concerns. If you would like to be added to my weekly newsletter distribution list, you can do so by emailing me directly with your request.

Thank you again for the honor of serving you in Augusta.

Sincerely,

A handwritten signature in dark ink, appearing to read "Rich Cebra".

(207) 457-2197

County of York Commissioners Office

The County has experienced many successes over the past year most notably:

- The establishment of a County Animal Response Team which brought in a new wave of volunteers to EMA and Community 1st responders. The York County team is now the strongest team in Maine.
- The Establishment of a 'first in the nation' Family Emergency Preparedness course in Conjunction with the Biddeford and North Berwick school Districts, whereby the students received lessons over a 6-week period which were taught by High School students who received community service credits for teaching the younger students.
- The Acquisition of a UAV (Drone) for use by our Emergency Management Agency along with a newly formed team of pilots and camera operators have been put in place for search and rescue missions.
- Upgrading the County's emergency response network to RAVE. RAVE replaces Code Red and has the capability to be deployed to the local level. This will increase the public's alertness and response during times of emergency.
- The County is committed to recognizing community service and held the first Spirit of America awards ceremony in November where we recognized five citizens and one group for their commitment to their communities and volunteerism.
- A new partnership with Partners for a Hunger Free York County and YCSPI (York County Shelter Programs) on the reuse and expansion of services at the former York County Food Rescue building.

The County also has its work cut in the year ahead as we attempt to mitigate the Tax impact of the Judicial System's decision to move and consolidate all courthouses to the City of Biddeford. We will need support from the Towns and their residents to present a united front, to aid the County in fighting this issue to save York County Taxpayers a substantial yearly increase in taxes.

Respectfully Submitted

Sallie Chandler

Cornish

This report shows the 2017-2019 Work Plan entries for Cornish. The costs listed are the total cost of these projects – some of which may extend into neighboring towns. It also shows a listing of maintenance work specifically recorded to Cornish in 2016, as well as any 2016 Local Road Assistance payments. Activities that are managed on a larger scale, such as snow & ice control, and maintenance work done by contract are not listed. The maintenance accomplishments may also extend into neighboring towns, but are listed in the first town where the work was reported. Finally, any capital projects that were completed in 2016 are also listed.

CORNISH FAIRGROUNDS ADVISORY BOARD 2016 ANNUAL REPORT

To the Citizens of Cornish,

The purpose of this volunteer Board is to preserve, improve, maintain and operate this town-owned property known as "The Cornish Fairgrounds". A summary of this year's past activities:

- March 21, 2016 Food Sale at Cornish Town Meeting
- June 15, 2016 Food Sale on Primary Election Day
- June 25 - 26, 2016 New England Vintage Base Ball Festival
- Cornish Bandstand Summer Series (sponsored by Saco River Festival Association)
 - o June 28 - Tricky Britches (High-Energy Bluegrass Music)
 - o July 5 - Don Campbell
 - o July 12 - Larry Williams Band (Dance Band)
 - o July 19 - Bold Riley (Acoustic Folk Band)
 - o July 26 - Primo Cubano (Traditional Cuban Dance Music)
- July 16, 2016 Sacopee Valley Health Center - Wellness Beach Party
- July 16, 2016 Sacopee Valley Cheering - Family Movie Night
- July 30, 2016 CAB's Cornish Community Farmer's Harvest & Flea Market
- November 8, 2016 Election Day - Co-sponsored Bake Sale with Cornish Historical Society
- September 10, 2016 Seventeenth Annual Cornish Horsemen's Day
- November/December Sacopee Valley Project Graduation Christmas Tree Sale

One of our goals is to find ways to raise monies to maintain and improve the grounds and buildings. This year we continued renovating the rental house. Central Maine Power replaced and relocated telephone poles. P.Y. Fates and Son reseeded the barrel racing area and removed rocks on the lower inside of the race track. The Board continues to have a small cash flow thanks to the events, donations and support of the community.

We would again extend our gratitude to the area businesses, volunteers, several school community service groups, the harness racing community and the Town of Cornish for all of your support and help over the past year. The Board's mission would be impossible without it.

The Cornish Fairgrounds Advisory Board meets on the first Thursday of each month at 6:30 p.m. throughout the year. All town citizens are welcome and encouraged to drop by and provide input, feedback, or ideas. Our by-laws, plans, goal and mission statement are available for review. Interested persons are urged to join the Board.

Thank you to our town citizens and businesses for the ongoing support in helping the Board attain the goals of maintaining, preserving and improving the beautiful historic Cornish Fairgrounds.

Respectfully submitted,

Cornish Fairgrounds Advisory Board

Darrin W. Perkins - Chairperson

Glenn Rankin - Vice Chairperson

Sherry Blaney-Allen - Secretary

Kay Blake - Treasurer

Grounds Maintenance - Linwood G. Perkins and Steven Smith

Board Members:

Laura Carr

Angel Eastman

CORNISH WATER DISTRICT – 2016 TOWN REPORT

TO THE CITIZENS OF CORNISH:

The Cornish Water District is a quasi-municipal non-profit corporation managed by an elected board of five trustees. We supplied 22,314,715 gallons of water during 2016 from both of our pump stations (Northwood Drive and Pavilion Road). In 2016 we pumped, on average, 61,136 gallons of water on a daily basis. The annual comprehensive tests done by the State of Maine laboratory indicated excellent drinking water quality.

In 2016 the Water District worked on or completed the following:

1. CCR (Consumer Confidence Report) was completed, published & distributed to consumers in July. The MDWP mandates this be done each year.
2. Flushed all hydrants & blow offs.
3. Exercised all system gate valves.
4. Completed quarterly bacteria tests required by Maine State Drinking Water Program. (0 contaminates were found).
5. Cleared 2 service line freeze ups.
6. Installed 4 new water service lines.
7. Repaired 5 service line leaks.
8. Repaired and replaced 5 curb stops & curb stop boxes.
9. Installed 20 new meters, replacing outdated meters.
10. Installed 20 winter bleeder systems to prevent freeze ups.
11. Updated the vulnerability assessment and emergency response plan as required.
12. Continued updating the building and security measures in accordance with homeland security completing fencing around exterior of building & installing security cameras.
13. Completed necessary training classes to keep our Operator Licenses up to date.
14. Implemented & enforced Cross Connection Control Program with annual inspection. Reporting 100% compliance & working backflows.
15. Jim Taylor completed training to become certified backflow inspector.
16. New water meter fitted at Northwood pump station.
17. Chemical pump and fuse box updated at Northwood pump station.
18. New seals, diaphragms & pipes fitted to all chemical pipes.
19. New gauges & pipe filters fitted for both Pavilion Rd and Northwood pumping stations.
20. New sheetrock and splash guards in chemical room at Pavilion Road.
21. Passed sanitary exam given by State of Maine.
22. New roof and insulation fitted to the reservoir building
23. New overflow pipe and sanitary flap fitted at reservoir.
24. New lift station at Pavilion Road.
25. Raised several gate valve boxes for DOT paving project on Route 5.
26. Raised fire hydrant at Moulton Lumber 6”.
27. Updated hydrant flow testing.
28. Updated the water main system map.
29. New safety equipment for staff.
30. New tools, holder & safety cones for truck.
31. Trench box updated (new end panels, legs & lifting sling).
32. Updated billing software & computers.

The mission of the Cornish Water District Trustees is to provide customers with the safest, highest quality water possible and continue updating and improving the infrastructure. We would like to thank the citizens of Cornish for their continued support.

Respectfully Submitted,

Cornish Water District Trustees

Michael Sturgeon, Chairperson – Term 2014 to 2017

2016 Recycling Update

The Cornish Recycling Center, located on School Street, accepts plastics #1 - #7 (bottles, jugs, tubs), tin and aluminum cans, all paper (junk mail, catalogues, magazines), paperboard (cereal boxes or cardboard tubes), glass bottles and jars as well as broken down cardboard boxes.

In 2016, the Cornish Recycling Center collected 48.55 tons (97,100 pounds) of material. This is a 5.7% decrease from our 2015 recycling rate.

Per EcoMaine, the 2016 Cornish recycling stream breaks down into the following categories:

EcoMaine explained that there is a difference in the total tons we recycled vs. breakdown above due in part to moisture content in material at time of acceptance.

Tons of material recycled by Cornish	
Paper, cardboard and paperboard	37.74
Aluminum and steel cans	0.92
Plastics #1 - #7	1.33
Glass	2.64
Trash (not recycled)	3.87

The Cornish Recycling Committee would like to remind everyone that plastic bags are not accepted by EcoMaine. Plastic bags, as well as plastic film (like saran wrap or deli meat bags), get caught in the sorting machine and minimizes its safe operation.

Want to see recycling in action? Visit the EcoMaine website www.ecomaine.org for information on the recycling process and facility tour dates/times.

To help improve the town's recycling rate, ONLY recycle items accepted at the Cornish Recycling Center. Visit www.cornishme.com for recycling details and guidance on how to best recycle items the town can not accept (e.g. electronics or household bric-a-brac).

Here's to increased recycling in 2017!

Thank you,

Cornish Recycling Committee

SACO RIVER CORRIDOR COMMISSION

"Communities Working Together To Protect Our Rivers"

The Saco River Corridor Commission (SRCC) works to protect the Ossipee, Little Ossipee and the Saco River through the standards, programs and laws described by the Saco River Corridor Act. The Maine legislature created a set of standards to protect these great rivers after many citizens in the 20 surrounding towns approached them for help. Each of these 20 towns has an opportunity to be represented on the Commission by having the town appoint two people – a member and an alternate.

The Town of Cornish is fortunate to have Jack Bash and Jennifer Otenti on the Commission. In a practical sense, Commissioners give the Town of Cornish an opportunity to participate in the present and future development patterns throughout the entire corridor from Fryeburg to Saco. The Commission looks at land use issues, water quality and conservation issues covering a wide range of topics during the year. Clean, healthy water is Maine's greatest asset. It's hard to understate this important fact.

We are happy to report the conclusion of our sixteenth successful Saco River Monitoring Program. Currently, we have over 10 volunteers monitoring for dissolved oxygen, pH, turbidity, temperature, total Kjeldahl nitrogen, total phosphorus, orthophosphate, Alkalinity and *Escherichia coli*. We also do macro invertebrate testing and conductivity testing at many sites within the corridor. Our testing takes place on a bi-weekly schedule along the Saco, Ossipee, and Little Ossipee Rivers at 35 different locations during the months of May through September. All of the information relating to the past sixteen years of the Commission's monitoring program can be found on our website located at www.srcc-maine.org. This information can be useful for Planning Boards, Code Enforcement Officers and developers in locating appropriate types of land uses close to the River.

The Commission works hard to keep the rivers clean and healthy, but they cannot do it alone. Copies of the water quality monitoring information is available or questions can be asked by calling Dennis, the Commission's Executive Director. The Commission office is located at 81 Maple Street in Cornish, Maine (Telephone 207-625-8123) and can be found on the web at www.srcc-maine.org.

Sacopee Valley Recreation Council Annual Report

For over twenty years the Sacopee Valley Recreation Council has provided a wide variety of programs for members of the communities in the area. The council conducts business through a board of directors who are volunteers and two paid part time program coordinators. Many of the programs are conducted by volunteers as well, but there are some paid positions especially for summer camps.

The traditional sports programs for youth from grade K-6 include baseball, softball, field hockey, soccer, and basketball. Our summer camps are always very popular as well.

We try to offer activities for the whole family such as cross country skiing on Sundays and Open Gym on Saturdays and the annual Barn Dance in March. The ice rink provides skating in the winter and gets a lot of use when the weather permits. There are also programs for adults including women's gym night and cribbage. A learn to skate program was run by students during the winter months for the fifth time this past year.

None of these things would be possible without the help and support of the citizens of the five towns we serve. We would be happy to have more people join the council or get involved in some way; be it refereeing, coaching, helping at dances, offering new programs, or helping organize equipment. Volunteers are always needed.

SVRC is now a 501©3(a registered non-profit). We continue to lease the Horizons Building and must pay the heat and lights for that. Liability insurance, advertising, and equipment costs are always increasing and our fundraising through dances and other events help to keep the cost of programs down for the participants. Even so, most programs do still need to charge a fee.

We would like to thank everyone for their help this past year and we look forward to another great year of programs for community members of all ages. If you have any suggestions or ideas, please get involved and help make the program even better.

Numbers of participants by towns for 2016 are as follows. Remember that we do not keep records by towns for many activities such as dances, open gym, the ice rink, etc. Cornish: baseball/ softball- 29, soccer- 11, basketball-9, karate-4 Summer camps-18

Sincerely,

SVRC Board of Directors

The Cornish Fire Department responded to 103 calls for service in 2016, a very busy year. Here's a breakdown of call types.

Motor Vehicle Accidents	-	33	Trees/Wires down	-	6
Mutual Aid	-	29	Public Assist	-	5
Rescue Assist	-	9	Brush/Woods Fires	-	4
Alarm Activations	-	8	Structure Fire	-	1
Smoke Investigations	-	8			

654 total man hours.

The department had a very busy year dealing with brush/wood fires in town and in neighboring towns due to the drought conditions. Because of that the department has put in for a 50/50 cost share grant with the Maine Forest Service to enhance our wildfire response by adding more hose, nozzles, foam and protective gear to our inventory to stay prepared for the future.

This year the department had an inspection done by Maine Bureau of Labor Standards to be sure we were up to date on requirements. MBLS did find some items not up to date, but due to the diligent work of Mat Cama, the departments' safety/training officer, the problems were quickly taken care of by Matt and the other members. Thanks Matt, Job Well Done!!

As of January 2017 we are running the department with a roster of 15-20, although our average is only 5-6 members a call which is minimal at best!! As always we are looking for new members.

Once again Thank you to the Selectmen and towns people for the continued support, for without it we couldn't do our jobs.

Respectfully,

Scott Pingree, Fire Chief

BONNEY MEMORIAL LIBRARY 2016 REPORT

During our 2015-2016 fiscal year (November 1 through October 31) the Library had 8075 people visited, and 10,641 books, magazines, and audio-visual materials were circulated. There were 478 books and 8 audiovisual items purchased, while 443 books, audio CD's and DVD's were donated. On site, there were 2312 users of our in-house computers, and many outside access to our 24-hour wireless services.

The Library fulfilled 630 interlibrary loan book and audio-visual requests for our patrons from libraries in Maine and other states, and 126 books from our own collection were lent to other Maine libraries.

Among programs offered during the year, the Library continued its successful "Family Story Time" for children up to five years old, and "Lego Adventure" and "Treehouse Club" for older children. Adults were offered various programs to participate in - Bonney Readers monthly book club, Adult Coloring Books, spoken French class, Maine Humanities "Let's Talk About It" discussion series titled *Defining Wilderness: Defining Maine*. The Library held special one time programs for children and adults - Discovering Butterflies and Bugs, The Adventures of Fly Fishing with Dan Bonville, Iceland Dinner & Presentation, and reading of The Polar Express during Christmas in Cornish.

Friends of Bonney Memorial Library, a volunteer group, continued its mission to "raise funds to supplement library service, promote the library as a community center, and advocate for the current and future needs of the library." Among its year's events were two Book and Pie Sales held in May and October and our annual CookieFest. The library continues to be an information center for the talking book program which serves the blind and physically handicapped; and to participate in Tax Forms Outlet Program that allows the library to provide federal tax forms to our patrons.

This year's income from bequests and stocks, fundraising events, donations and \$12,000 Town support was \$51,151. This provided for our Library Director's salary, building maintenance and repairs, administrative expenses - heat, insurance, water, and miscellaneous costs.

The Library Expansion Committee had heat pumps, LED lighting and cellular window shades installed in the present building and the furnace removed to prepare for installation of an elevator and ADA accessible bathroom; it has developed plans for a 20 solar panel array to be installed off-site; and it is soliciting contributions from individuals and Maine foundations so that the renovation of the current building and construction of an addition can start in February 2017.

After 88 years, Bonney Memorial Library looks ahead to further decades of service to all those who, as Dr. Bonney said, "care to read and learn."

SACO RIVER FESTIVAL ASSOCIATION

Enriching Maine's Culture
For Over 30 Years

Town of Cornish
Budget Committee

December 20, 2016

Hello,

I am writing on behalf of the Saco River Festival Association to request that the following article* be placed in the Cornish Town Meeting agenda for 2017.

The Saco River Festival Association is a non-profit Corporation formed in 1976 for the purpose of promoting quality music and arts programs in the Saco Valley area. Among other community and school musical events, the SRFA has been planning and presenting the Cornish Bandstand Summer Concert Series for the past nine years. The Summer Concerts have been well received by members of the Saco Valley towns as well as by visitors from out of the area. Attendance has been growing, and many musical groups ask to come back. We greatly appreciated the financial support of most of the SAD 55 towns in 2016, and the Association is determined to continue to bring the concert events with no admission or ticket fees.

SRFA strives to provide a venue for Maine artists and to provide affordable entertainment for the community. Donations during the Bandstand concerts from the audience, sponsorships from local businesses, and funds from other SRFA projects help to defray the costs of the musical groups. Last year, with the generous additional support voted by several towns, and thanks to fortunate concert-going weather, the Summer Bandstand series was able to break even financially. For 2017 we again are asking each of the Saco Valley towns to consider contributing \$300 toward the expenses of the Bandstand series.

We would appreciate your consideration in planning the next Town Meeting warrant to include this article. Thank you very much!

Sincerely,

Sharon and Mark Beever
For the SRFA Board of Directors

** To see if the Town will vote to contribute \$300 toward the costs of the Saco Summer Concert Series at the Cornish Bandstand organized by the Saco River Festival Association.

115 South Hiram Road
Hiram, Maine 04041

Date: January 3, 2017
To: Town Selectmen
From: Heath T. Cormier, TV2 Coordinator
Tyler Fenderson, Student Station Manager
Re: Franchise fees from Time Warner Cable

We are writing to request that the article below be included in the warrant for the next town meeting (2017) and request 100% of franchise fees received from Time Warner Cable.

This year has been an exciting and refreshing one for the student managed TV-2 program. We continue to add an extensive amount of updated programming for our viewers across the MSAD55 community. We have continued to provide programming to those not served by Time Warner Cable by use of streaming web media content. Our USTREAM site allows viewers who do not have access to TV2 on their televisions to view the same content online simultaneously. By simply going to our website www.sad55.org/tv2, anyone can view our live programming 24/7. Again this year, SVHS students continue to work particularly hard setting up live sound and live remote broadcasting from the many school board public forums that took place during the school budget process, as well as other community and school events. We were able to broadcast many different sporting events from Sacopee Valley High School that included baseball, football, soccer, and field hockey. Currently, we are able to stream live basketball games during the season both boys and girls varsity teams on Tv2 and our website. We continue to provide coverage of all school board meetings and were able to record and broadcast all of the town meetings. Every day at 7am and 7pm we broadcast the entire MSAD55 School Board Meeting from the past month so viewers can catch up if they missed the event. We also broadcasted many town events during the past year and will continue to increase the amount of events we cover in the towns that support TV2.

TV-2 students continue to work in a classroom format perfecting their skills with these many events, processing school and community events, and updating information on our bulletin board for viewers. Students are actively engaged in learning valuable real life TV/Video experiences as they develop skills necessary to manage the public access channel, all usually while broadcasting, "on-the-fly". We are very proud to have provided coverage of SVHS sporting events this past year, including school events, and look to always improve on the program. Many students benefit from this educational component created by the TV-2 Community Television Program in the school, several of which have pursued careers in this discipline after graduation. Students are proud to have been able to provide this service to the community of MSAD #55 and the 5 towns. The students should be commended for their hard work, long hours and skills. For most students in the program, it is their first time broadcasting events and quickly learn the skills required for the job.

The TV-2 Committee, in cooperation with town officials negotiated a new 10 Year Franchise Agreement with Time Warner Cable. The Franchise Negotiations Committee had been working with several outside organizations, to include the “Broadband Expansion Initiative”, to explore expanded coverage to the people of all five towns. Time Warner has recently expanded coverage to several areas of the five towns as part of the “ConnectME” grants. As the new agreement was reached, it serves to settle outstanding issues and will provide equipment & facility improvements to facilitate expansion for residents and improvements to our current coverage even further, to include a web interface. We have come to a successful conclusion in that process. In 2017 we will see the results of our franchise agreement negotiations for a solid resolution and new 10-year agreement in place. The grant funds received have enhanced the ability to provide HD broadcasting signals, audio enhancements, bringing old equipment & cameras up do date, provide a much clearer signal and more access to web capabilities, all things that have previously been a struggle. The equipment grants have placed the TV2 station in line with the infrastructure to enhance our current operations. We look forward to continuing to reach more viewers, provide more event coverage and further expand on our current broadcasting service.

If you have any important dates or events you would like townspeople to know about, please contact us and we will be glad to list them on TV-2. We may be reached at 625-2450 or via e-mail directly to the Tv2 Coordinator at hcormier@sad55.org

This article does not require the town to raise any revenue. The franchise fee is a fee paid by each cable subscriber to Time Warner Cable - above and beyond the regular cable rate - and is returned to the towns. Most municipalities dedicate these fees to the local access station, in our case TV-2. It is our goal to have TV-2 be self-sufficient, and not need to use school funds or request donations from local businesses to maintain operations.

All funds for TV-2 are managed through the MSAD #55 Finance Office and are audited every year with records kept for at least seven years.

Please feel free to contact us if you would like further information about TV2.

Article: To see if the Town will dedicate the franchise fees received from Time Warner Cable Inc. and any grants received through franchise negotiations to TV-2 for the maintenance of equipment, and for operating costs, as deemed necessary to support the TV-2 program.

To the Budget Committee – Town of Cornish

January 5, 2017

As in previous years, the Cornish Historical Society is requesting \$5000 in support from the Town.

Cornish Historical Society has approximately 60 current dues-paying members. This year we published three newsletters, which were mailed to some members, emailed to those who request this, and copies were also available at the Library.

We had three major fundraising activities: the Duck Derby in April, the vintage base ball tournament, and the sale of our annual calendar. We also had two bake sales: at the June Primary, and November Elections. These were shared with the Cornish Fairgrounds Committee to assist with both groups' funding.

We thank the Library for the generous use of the first floor of 40 Main Street, where we have a lease. There are the usual expenses of electricity, water, sewer and insurance. There are charges for turning the water on in the Spring and off before freezing weather. We contribute to the Library's expenses of snow removal. We have completed several weatherization projects to make the first floor more energy efficient, but still do not feel it is practical to have the building heated fully; we hope to expand its use in "cool" weather though.

In 2016 our museum and research room were open seasonally one afternoon per week, staffed by volunteer members. We have put considerable effort into organizing the materials we have, and are still working on archival storage for the future. We are also open to the public by appointment. Volunteers averaged 2-3 queries per month from locals and visitors, to assist with their historical questions, without charge.

Programs and activities in 2016: Colonial Herbal Medicine, Duck Derby, Vintage Base Ball Festival, Apple Festival, and historical traditions at "Christmas in Cornish" focused on children. A new exhibit "Clothing Manufacturing in Cornish" was installed and a public program was given re: the Cornish Dress Factory. Another free program given was on genealogy, "Finding Your Family". We provided historical research and materials for the Hillside Church's organ rededication, and volunteer speakers; this was a very significant community event. We hope these events reflect well upon our Town and also bring some new visitors and business to our merchants.

The Boston Post Cane is now displayed in a beautiful case with each recipient's name since 1909 engraved individually on brass nameplates. The Historical Society has paid for all of that. The research to update and correct this list required several months of volunteers' research. We also hosted the presentation of the 2016 recipient at our building and supplied the certificate and commemorative pin to the family, and photos and DVD of the ceremony. The Selectmen have asked us to assist again with the next recipient, which we have agreed to do.

We will continue our mission for student involvement, and providing historically important service to our town. In 2017 we will provide a plaque for the old Cornish School bell which is now in Thompson Park, and an explanatory plaque and marker behind Pike Hall re: the Old Cemetery.

We always welcome new members to our monthly meetings and hope to continue to be a resource for the Town of Cornish.

Respectfully submitted,

Officers: Sandy Howe, President, Diann W. Perkins, Vice President, Kate Benson, Treasurer, Anne MacIntyre, Secretary

CORNISH HISTORICAL SOCIETY - 40 Main Street, Cornish ME

The Cornish Historical Society's mission is to collect and preserve the town's history, and serve as a resource for research and education. The following is a summary of 2016 activities.

- April 30 - 4th annual Daffodil/Duck Derby
- June 4 - Program "Herbal Medicine in Colonial Times" with speaker Debbie Gideon.
- June 25 & 26 - Vintage Base Ball Tournament co-sponsored with the Cornish Fairgrounds Committee. Continuing exhibit of baseball memorabilia at Historical Society House.
- July 10 - Hosted presentation of the Boston Post Cane from Selectmen to Gerald S. Barney.
- August 2 - Program "Cornish's Clothing Mfg. and the Maine Dress Co." with speaker Charles Whitney. Continuing exhibit "Clothing Mfg. in Cornish 1870s-1970s" at Historical Society House
- August 13 - Genealogy program "Finding Your Family" with speaker Ken Hall.
- September 15 - Helped Friends of the Hillside Church with their program rededicating organ.
- September 24 - Sale of apple pie slices during Apple Festival
- December 3 - Christmas in Cornish participant with costumed storyteller Erik Jones.
- Co-sponsored bake sales with Cornish Fairgrounds Committee during voting at State Primary and November elections.
- Continued to improve our research room, including workshop with Windham Historical Society archivist Penny Laura.

We are proud of two of our biggest accomplishments this year. We funded materials for the construction of the case for Cornish's Boston Post Cane, built by Wes Sunderland, and we gathered information to compile an accurate list of past recipients. The cane is now on display at 40 Main St. and will eventually be moved to Pike Hall.

We received CDBG funds from the town of Cornish, which were used to conduct an energy audit of our building, improve the heating system, install outdoor solar powered lighting, new storm windows on the first floor, and general weatherization. Work on the porch will continue in the spring, creating an attractive and usable space for activities. This will also include new railings to improve safe access.

We sent three newsletters to members, also available at the library, and published our annual fund-raising calendar. Museum, including research room, was open seasonally on Saturdays 11-4 and by appointment.

Cornish Historical Society has monthly meetings and welcomes new members, suggestions for programs and activities, and the loan or donation of Cornish memorabilia. We thank the Bonney Memorial Library for the use of their building and the town of Cornish for its continued support.

Officers - Sandy Howe, President; Diane Perkins, Vice-President; Kate Benson, Treasurer; Anne MacIntyre, Secretary.
