

Jan 15, 1974

The Cornish Planning Board met at the Hotel on Jan. 15 1974 with Carl Laws who explained L.D. 1545, an act to establish the Saco River Corridor.

He discussed the three separate zones and the permitted and prohibited uses in each.

It was voted to meet again Jan 24 to set up the zones along the river and to hold a meeting of the affected landowners on Feb 19 at the Town Hall.
