The Planning Board met this evening at the New Lincoln Ho with 5 members and 2 Selectors present. Our guest, David Jay, staff member of the So. Me. R. Planning Commission, gave us ideas and instruction to help us get started on drawing up a comprehensive plan for the town of Cor.

There are 8 important guidelines to consider and each member of the board was asked to look into and write up a report on one of these items and present at the next meeting which was set for Feb. 5th.
