

The first regular meeting of 1972 was held January 18 at the New Lincoln Hotel.

Business of the evening included local development and subdivision standards which we voted to accept. Other discussion included a booklet on development and subdivision standards published by the U.C.L.P.C.

It was decided to allow members to review the booklet and it would be discussed at a future meeting.

Also, a sanitary landfill program was discussed briefly concerning the town's compliance with the state statute dealing with open burning dumps.
