Bruce Smith - Code Enforcement Officer

Topics discussed:

- A. September meeting minutes approved with the noted changes:
- The Minimum fee for building permits should note 0 - \$1000, as opposed to the \$500 - \$1000 under Alt/Reno.
 - A minimum building permit fee should be set at \$10
- B. Zoning/Industrial - Item presented by the town officers for discussion by Planning Board. Topic discussed and the present members show a favorable interest in seeing a formal presentation by the Town Officials.
- C. G & S Variety - The board votes to send a letter (copy attached) to G & S Variety indicating that they may include the U-Haul rentals under their existing business without special approval, however they must store the vehicles on there business lot (the lot where the store is located) and not on any other adjacent lots. They also must maintain the required number of spaces (5) after placement of these vehicles on this lot.
- D. Fees - It was voted to set the Septic System Fees to be as per the State of Maine Septic System Fee Schedule. A copy of these fees shall be included on the Cornish Fee schedule
