The meeting was called to order at 7pm.

Jamie Carr came before the board for violations with his storage building on rte 25. The violations include lack of monitoring well and removal of the buffer/screening. After much discussion, J Carr indicated he would install a working monitoring well by the January 1999 board meeting and submit a planting plan for the building screening by the February planning board meeting. A registered letter will be sent to Carr to remind him of his responsibilities.
