

March 19, 1974

The Planning Board met at the hotel on March 19, 1974 discussing the possible replacement for members leaving the board. The <sup>terms</sup> members to be <sup>filled</sup> replaced are those of Ron Outhuse, Ray Wallace, and Charles Bradeen whose Term has expired.

The list of possible candidates are as follows:

Charles Bradeen - reinstatement

Charles Whitney

Walter Peach

Bernie Mason

Howard Carr

John Palmer

This list is to be turned over to the selectmen for nomination.

It was also decided that any member missing more than half the yearly meetings shall be removed from the board.

We decided that Bradley should contact the York and Cumberland <sup>County</sup> Housing Authority to set up a meeting with the board to discuss their plans for their development ~~for~~ on Route 25.

Respectively submitted
