Killdeer Acres subdivision, approved by the Cornish
Planning Board on 6/20/1989, owners are requesting a
revision in their subdivision. They wish to change the
plan to be three (3) lots instead of eight(8) as approved
on 6/20/89.

Remittances: letter to request permission to submit a
revised plan

Request to terminate 6/20/89 covenants

Proposed notes for revised KilldeerAcres Plan

Tentative Plot Plan

Questions: Where do the Morse's fit into this new subdivision plan?

Developers' responsibility to owner of Lot #1, which
was sold illegally?

The purchasers of Lot #1 need to be contacted and covenants
old and proposed new need to be explained.

What is 90% meaning in third paragraph of termination
of "covenants", conditions and restrictions?

(Relates back to the old covenances and their ability
to change covenances)

Relationship of new proposed road in relation to location
of old road (road approved as to location in 6/20/89
approved subdivision) Specifically: problems with
run-off.

Barbara Conover requested to read new covenants and make suggestions.

Questions or comments by Board:

Responsibility to Morse (purchasers of Lot #1) and the
proposed new covensnts.

Road - diagram and dimensions

Road location

Frontage of each lot

Paving of Road

Need for new letter of credit for new proposed road

W. Stickney: Concerned about road run-off; and water drainage
and culvert at bottom of hill.

A site walk was scheduled for Sunday, March 24th at 8:00 am.
