6:30 PM WORKSHOP MEETING

MINUTES

In Attendance: Dan Sherman, Ken Hall, Bill Hoxie, Tom Magno, John Morrissey

Guests: Nancy Perkins, Diann Perkins

Call Meeting to Order: 6:36 PM

New Business:

1. On a motion by Ken Hall, seconded by Tom Magno, the minutes of the workshop meeting on October 17, 2011 were unanimously approved.
2. Bill Hoxie gave an update on the proofreading of the Land Use Ordinance, stating that the task was nearly completed. Diane Harrington is nearly finished with scanning the various ordinances to be included in the new version.
3. Shoreland mapping was discussed. Bill Hoxie presented an e-mail to Stephanie MacLagan, wherein she was asked to give a definitive answer whether or not the town had to adopt the map at a town meeting. She forwarded the message to Mike Morse, who suggested it was a legal matter. After more discussion it was decided that the best solution was to hold a hearing on the revised map January 16, 2012 at 7:00 PM, followed by a special town meeting at 7:30 PM to adopt the map as the official Shoreland Zoning Map.
4. The letter of approval of CMP's application to install wireless equipment on F. R. Carroll's tower on Quarry Road (Map R-6, Lot 19) was signed and mailed.
