New Business:

1. Ken Hall moved that the minutes of the August 15, 2011 Workshop be approved as presented; seconded by John Morrissey and voted unanimously.
2. Update on Shoreland mapping:
 - a. Dan Sherman has called Mike Morse regarding the status of Shoreland mapping and the procedure for adoption of the maps. Mike told him that the State was contemplating dropping Appendix A in the ordinance by the end of this year.
 - b. Dan will call Stephanie at DEP regarding the procedure for adoption of the maps.
 - c. John will call SMRPC for their input on the matter.
 - d. Bill has sent a letter (attached) to Mike O'Donnell regarding the questions raised during the inspection of the maps.
 - e. Nancy Perkins was adamant that the map has to be adopted in a manner that will stand up in court.
3. John Morrissey inquired about a survey that was done prior to the adoption of the Land Use Ordinance. Dan commented that such a survey was conducted. Bill will follow up with Diane Harrington.
4. Bill will also follow up with Diane about getting a key to the Town Hall. Members felt that another member of the Board should have a key in case Dan was not available.
5. Nancy Perkins stated that the Selectmen had reviewed the Planning Board's Fee Schedule and felt that it would be appropriate to strike reference to the Selectmen in part II (f). It was agreed that Bill would make the suggested change in the schedule.
