A quick-claim deed for Cheri and Jerry Watson was signed.

Vinal and Carlton were upset that Pat Foley was paid to clean Pike Hall because it was a mess when she arrived for her function. They discussed the need to find someone to clean the hall. Carlton has been looking for someone and Carol will call about an ad seen in the Shopping Guide. Vinal thought that personal use of the hall be eliminated. Carlton thought that the hall should be cleaned and that one of the selectmen should inspect it after use. A decision will be made after looking into options.

The selectmen received a complaint about the flags in front of Pike Hall. It was decided that the flags should be replaced. John Palmer will call Flag Wavers.

Carlton needs to tall to Elwin Day about moving the leftover salt into the salt shed.

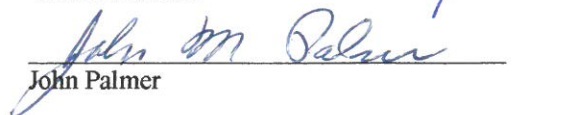

Carlton checked out the green slime pool ^{by} ~~that~~ the Buddemeyers were complaining about. It has been dumped.
