

**SELECTMEN'S MEETING
JANUARY 21, 2004**

Daniel Sherman and Sheena Randall came in to discuss the growth ordinance and the amendments to the Code Ordinance book. Dan wants to call an informational meeting in February so that the new and or changed ordinances can be voted on at the Town Meeting. The selectmen will make a decision and get back to them.

The minutes from the last meeting were signed. The accounts payable and the payroll warrants were signed.

The papers were signed to turn motor vehicle agent over to Diane were signed. Diane also had a copy of this years town meeting warrant. The selectmen took the copies home to go over later.

Diane had also left a note about having a meeting with Mr. Moller and Mr. Gleason about the back personal property that is owed. Vinal thought that it is Diane' job since she is the tax collector.

Vinal updated the solid waste contract. He gave a copy of it to Peggi to go over. The trash committee will have to be notified to have a meeting to reword the commercial part of the contract, and then it can go out to bid at the end of March as the current contract ends May 31st.

Carol told the selectmen that she had taken out nomination papers for Town Clerk ect. for the Town of Baldwin. She said that if the selectmen want a definite date for her resignation then that would be no problem. She also said that she would be willing to train someone new. Vinal said to put an add in the Shoppers Guide for a new clerk and bookkeeper and they will let Carol know about how they want her to handle her resignation.
