

**SELECTMEN'S MEETING  
JANUARY 24,2001**

Carlton Candage, Vinal Pendexter, and John Palmer attended the meeting.

The minutes from the meeting 1/10/01 were signed. The accounts payable and the payroll warrants were signed.

The Fairground Association committee has two openings. Two applications were turned in from Byron Harrington and Linc Carr. A motion was made to accept both applications and the motion was seconded.

One application was received for the planning board from Peter Ouellette. He will be invited to the next meeting for an interview.

The selectmen received a letter from CMP. They want to receive a call instead of the form 1190, which is an inspection approval to turn on service. Carlton will call Jean Smith to agree to a call.

Dick Dureau's family wants to give him a surprise 85<sup>th</sup> birthday party. Since they are only using it for four hours they are requesting a rental fee reduction. The selectmen said no reduction because they are tying up the hall so none else could use it anyway.

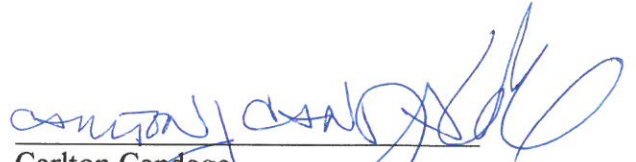

Carlton had requested from Community Dynamic's a disc with the land use and development. Carlton received it and Vinal will copy the disc. Carlton will find out what the fee will be if Community Dynamic's updates this, or the planning board can take the copy and edit it with guidance.

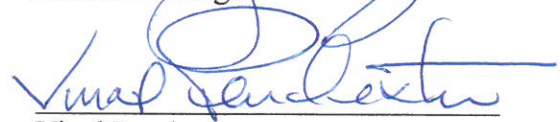

George Carroll submitted an application for abatement. It is past due for tax year 2000. Vinal is going to talk to Mike Rogers to see what can be done.

A letter was received from the MMA about insurance. The town has to get permission from the taxpayers to even inquire about quotes from the insurance company. An article will be put in the warrant for the town meeting.

Vinal asked about A/P balances for the budget meeting. Carol had run off expense and revenue summaries. The contingency account was over spent by \$34,000.00. \$24,000.00 of which was York County Tax. It was agreed that we need better definitions on what gets paid out of which account. Carol was asked to come in Thursday morning to get some of the accounts straightened out.

The meeting was adjourned.
