

SELECTMEN'S MEETING

JANUARY 26, 2000

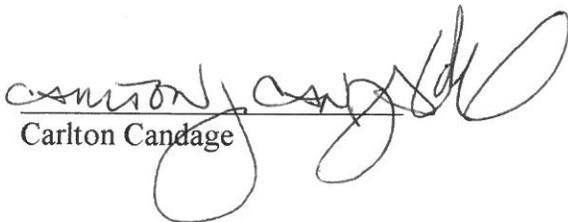

Meeting called to order at 7:00PM.

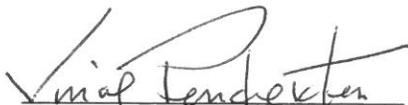

Selectmen reviewed January 12, 2000 minutes and Accounts Payable and Payroll warrants.

Discussion with Kostas Kourian regarding miscommunication, between him and the planning board of appeals, on addition size on Dall's Dinner. A recommendation was made by the selectmen to waive Kostas going back to the board of appeals based on the information presented. Due to the Board of Appeals not responding in a timely fashion (met in September, 1999 written answer in January, 2000). We ask Kostas to pay a penalty of \$100.00 and proceed with CEO's permit.

A consent agreement to be drafted and signed by Kostas and selectmen.
