2. Franklin & Debbie Sanborn here regarding Plowing. Incidentally, Cameron McCulloch is obtaining figures from Government for the Cost of Living increase promised to Franklin - and Richard Steeves, Esq. is drawing up Warranty Deed for their property on Route 5. Ronnie feels that Franklin's bills are too high, says he charges too much for the trucks he uses. Franklin states he has been paid for stockpiling the sand for the past two years, and does not see why the town is balking now. Danny Day does not want the trucks on his road, it is not a Town road, but the Town has paid to have it plowed for years. Tom talked with Danny Day - trucks to go down to sand, not to plow. Franklin reported that Co-Hi has been using sand from Town Pile (approx. 50 yds.) Dave Whitney also uses the sand, but he reimburses the Town.
