

MINUTS TO SELECTMEN'S MEETING
OCTOBER 19, 1992

Present: Vinal Pendexter, Carlton Candage and Donald Jack

1. Meeting called to order at 7:00 pm
2. Rob came in with concerns on Vidio Ventures they are putting in a new septic adn are pumping chemicals from the old one to clean it out throw a junction box and pumping it into the ground. Shouldn't it be inspected, they are putting a new tank in and do not have a permit. Rob has been taken pictures.
3. Rick - there is a meeting put on by Maine Recovery at So. Maine Regional Planning on Oct. 28th. He recommends that the Selectmen attend. There are 46 to 48 sites designated for a weekly pick-up of recycled products. Regional Waste advised him to contact Waste Management of N. H., for \$35.00 a ton they will supply the silver bullet. He will call to conf~~er~~m.

4. Ken Leavitt - Land use ord~~o~~nance town will have to vote on it. Moratorium on subdivisions. Limit to residential have to be carefull it isn't aimed at any paticular subdivision. Questions on wether Cornish has a moratorium ord~~o~~nance. No more than 180 days as long as progressis being made you can renew for another 180 days. sample packet from Maine Municipal all are concerned that it needs to be done quickly the Selectmen do have the authority as long as the town votes on it.

Issues to be addressed :

Get a letter from Dave Brown detailing the impact on the town school. They are already sinking a classto Baldwin and are working on an evaluation of the whole school set up.

Impact on the town provition of services.

Comprehensive Plan doesn't specify the guidlines on maintaning the balance of the town economic situation, it is not the same as it was when the plan was developed.

Patten Development's permit has laps but they can reinstate it if they get the funds.

Slow growth ord~~o~~nance. questions with new ord~~o~~nance.
