Vinal stated that he was concerned about the salt at the salt shed. He checked it out after the heavy rainstorm and said that the salt was leaching across the yard. He will talk to Bobby Sturgeon and David Whitney about the plans for mixing the sand/salt and recommend that the salt get put inside the building.

Rob Millard came in to discuss the status on Roland Scott's trailer and the Robinson's that are in the cornshop building. Vinal is concerned that there are people living in these building with out permits and the buildings are dangerous. Letters will be sent out ordering removal from the property. Vinal will talk to Mr. Brandt and find out if the letters should come from him or if Rob can write them. They will be sent by restricted delivery.

Rob also wanted an opinion on Fosco Picchi's plan to sell his house and a portion of his property. Where he is not making a nonconforming lot there should be no problem.
