

SELECTMEN'S MEETING
November 1, 2000

Meredith Harding came in to ask permission to use the upstairs office for the Historical Society. Carlton made a motion to let them use it. Vinal thought the Insurance Co. should be contacted just to be sure. Carlton said he would call them Thursday and let Meredith know in a couple of days.

The Selectmen signed abatements.

They agreed to pay Danka's service contract for the copier.

John Cleveland's letter was read and discussed. They agreed to pay for the copies of the Land use and ordinance books. John's billed was discussed and Carlton will get breakdown of accounts for payment and give information to Carol for the next warrants.

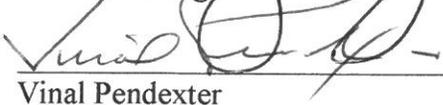

There was a discussion of Ken and Susan Donnell's house, (formally Norm Watson's house). They requested to have the garage taxed as personal rather than commercial. The tax rate will not change and Carlton will call them.

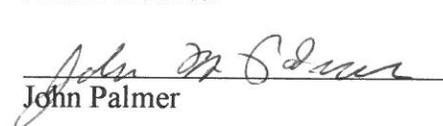

George Carroll's open space application was discussed. John Carroll in Augusta admits that the law is confusing. He will be invited to the next Selectmen's meeting for final discussion and decision on his application.

Sheena Randall was here to discuss her leach field problems. She was advised on what to do and where to go for information to solve her problem.

Meeting was adjourned at 8:20.
