

**Selectmen's Meeting
November 12, 2003**

Richard Wagner came into discuss the school musical program held at Pike Hall. Last year there was too much stuff left around and too much commotion during office hours. Mr. Wagner suggested that they only use the downstairs during performances. It was decided that they will try it that way and if there are any problems Mr. Wagner will be notified so it can be corrected.

The minutes from the last meeting were signed. The accounts payable and the payroll warrants were signed.

Peggi asked if any further plans had been made concerning the revaluation of the town. Vinal said that he had talked to David Sawyer and he will get back to Vinal within a week or so and set up a time for a meeting.

Rob Millard came in to get the selectmen's approval on the letters he wrote to Paul Lemke and Jim Robinson about living in uninhabitable buildings. Vinal suggested he use more forceful language as the Town could be responsible for letting them live there. He also discussed the Reed case. He wanted Ralph Gibson to come in to sign the consent agreement. Ralph left to talk to the Reeds to straighten things out, but the agreement still was not signed.

A letter was received from the Saco River Corridor Commission requesting a representative of the town for their committee. An add will be put in the Shopping guide.

The selectmen received a thank you note from Charlene. She was very pleased with the party and the gifts that were presented to her.

Diane had some supplements that needed to be signed. One was for Ken Ridsdale. The other one was for the Russell Hughes.

Diane also asked about the Harvest Hills Shelter. The contract from Westbrook Animal Refuge League needs to be found for comparison.

Diane had a request for a waiver on the Pike Hall rental fee. The Sacopee Community Forum wanted to use the hall without fees. Vinal thought that if the town lets them use the hall that the town supports their purpose.
