

**SELECTMEN'S MEETING
NOVEMBER 28, 2001**

The minutes from the last meeting were signed. The accounts payable warrant and the payroll warrants were signed.

A pole permit was signed for Dennis Peletier was signed.

Tom Pingree came in with the new officer's list for the Fire Department. He was also concerned about the driveway in front of the fire barn. When the road was redone they angle of the driveway is such that the ladders on the fire trucks hit on the garage. He had gotten an estimate on redoing the driveway, but he wanted to know if the MDOT would pay for any of it since they were responsible for its present condition. Carlton said he would check into it.

A thank-you was received from Night Feather for letting them use the chairs for their Pow-wow.
