

**Selectmen's Meeting
December 11, 2002**

The minutes from the last meeting were signed. The accounts payable and the payroll warrant were signed.

An amended snowplowing contract was signed. The amendment removed Freeman Howard's name and putting it in David Whitney's name only. Carol can call him and get his signature.

There was a discussion on the Merc meeting in Kennebunk. The time was changed from 7:00 PM to 5:00 PM. None of the selectmen can go with the time change. Carlton is going to call and mention that a later time is better and find out if they cancelled due to bad weather.

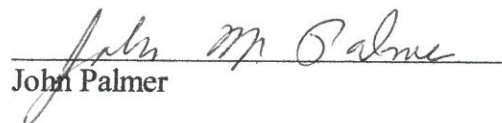

A list was received from Verizon concerning 9 11 road name changes. They received a call from the Piccininni's stating that they refuse to use Sawyer Rd. and want it to be Pease Hill Rd, and they will go to the county commissioner to get it changed. Carlton is looking for guidance from the 9 11 coordinators in Conn., as the Pease Hill Rd. goes the other way.

There was a discussion about the next meeting that is scheduled for the 25th of Dec. It was decided that they will not have a meeting at the end of the month and push it right to Jan 8, 2003. Carol was instructed to have a warrant for urgent payments only and the selectmen will come in and sign it. It also needs to be put in the Shopping Guide.

A complaint was received from Jeffery Provost concerning brush cut on the side of the road. Some of his bushes that he planted were cut down. Carol will call him and have him talk to Bobby Sturgeon and find out how many feet off the tar the roadway rights are.
