

MINUTS OF SELECTMEN'S MEETING
DECEMBER 14, 1992

Present: Vinal Pendexter, Carlton Candage and Don Jack

1. Calvary Church - Sat. evening service - it was not the intent to tie up the Hall to any one group or person on a long term basis, but for the use of the Community as a whole. Also the septic couldn't handle the constant use, the cost of heating the hall would be high. Vinal to draft a letter.
2. Motion to go into executive session seconded vote 3-0
3. Abatement Theon Smith to be signed and was
4. Street light at the end of Pumpkinville Rd. tenants would like a brighter light. It was voted at the 89 town Meeting to use an energy saving light in all the light poles. will draft a letter to Aneta Boyce.
5. Received the invoice from BSS&Nelson for the legal advice on the moratorium to be paid on next warrant.
6. Letter from Mary Markell-Sanborn's dog is still not tied up. Rob shouldn't be treated any different than anyone else whose dog isn't tied. Vinal called Jim Burton and left message for him to call back regarding this matter.
7. Letter Jon Meserve dated 12/03 he has reviewed all the sites for the Waste Collection and feels that Lot 10 A map R-1 best meets the requirements. Also note that Jon's letter of 12/11 has been put into the 1993 Town Meeting file to be put in as a proposed article for the Town to vote on. Motion made to put the Jon Meserve letter in the file for 1993 Town Meeting. Motion moved and seconded. Vote 3-0
8. Letter from the Town of Hiram to be read RE: MSAD 55 Budget for 1993-94
9. People with requests for a review of their taxes - will discuss after the meeting.
10. things look good with the house on Rt 5 per Mark Mayhew
11. Sewer Disposal System - program project cost are \$292,000 could get a grant from Community Block fund Grant for all except \$50,000.00, but the town could get a loan from Farmers Home at a low interest rate. If the land or any other unforeseen cost ran over, the Grant would take care of it up to a certain amount, the amount we do not know and they will not tell us. Bob Belcore engineer if he is interested to meet with the selectmen on thurs Dec. 17 at 7:00 PM Nancy will be able to attend also. Don has a meeting at SMR and will find out more info prior to the 12/17 meeting. The Selectmen would like to meet with every one involved together to find out all the information at one time. Need to make an offer on the land and get the People of the community together. the funding will not cover the cost of hooking up the houses from the road to the house this would be a cost of the property owner.

12. Motion to adjourn moved and seconded Vote 3-0.
