CORNISH, MAINE**

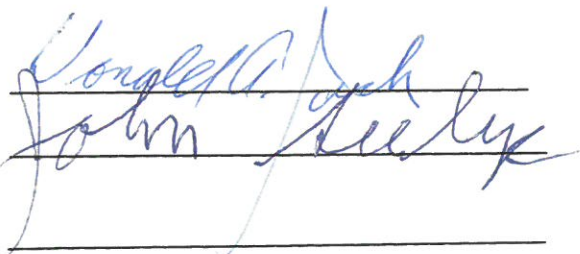

MINUTES OF SELECTMEN'S MEETING - December 2, 1985

Present: Donald A. Jack and James Seelye

- 1) Ethel Sargent was present requesting Eva Lord's wood. Jim has spoken with YCCA who gave Eva the wood originally, and it is their feeling that the wood is Eva's to do with as she wishes. The Selectmen had originally told Eva everything would be left as it was at her house while she was in the Nursing Home, and it is so noted in the minutes.
- 2) Raymond Benson is still unhappy about his lawn. He has hired someone to fill in his inside walk and sent the bill to the Town for payment in the amount of \$20. The Town paid \$200 to repair driveway and the Selectment do not feel it is the Town's responsibility to pay this additional amount. Bill returned to Raymond Benson, Secretary instructed to write a short note.
- 3) DRA Price Guide (Tax Assessment Book) \$60. Purchase if really needed.
- 4) Me. Publicity Bureau, 1986, Town Warrant
- 5) AFDC meeting on Wed. Dec. 4th re increases.
- 6) Cable TV - have Jeffrey Hunt go over contract before signing.
- 7) Verne Blake lot on Limerick Road, tax acquired property. For Sale by bid. Gayle Day and Creelman are interested in purchasing it. This should be publicized.
- 8) Town Hall needs cleaning.
- 9) Solid Waste: M & M - Will get back to him this week.
Blanchard - Jim called, but haven't gotten back to him.
Normantus - Is in trouble with his insurance and ash trucking
