

**SELECTMEN'S MEETING
FEBRUARY 19, 2003**

The minutes from February 5th meeting were signed. The accounts payable and the payroll warrants were signed.

John suggested that if any money was received from homeland security should be used to finish the fences around the water district.

Carlton asked John to verify town boundary lines for a report for the state.

Carol mentioned that if she does the deposit every day that twice a week they have to go into the night deposit box since the town office is open later than the bank. She said she doesn't receive a deposit receipt if they are put in the night deposit box. Carlton suggested that she call Brenda at the bank and ask that they send one in the mail or they can hold it until she goes into the bank.
