

**SELECTMEN'S MEETING
FEBRUARY 20, 2002**

Phil Lovejoy came in to discuss the difference between Maine Municipal program and insurance. The insurance company contributes to an insolvency fund so the Town is not responsible beyond paid premiums. Maine Municipal contributes to a municipal pool and the Town can be held responsible beyond paid premiums. The other differences are what the policies cover by definitions, and the different amounts the Town is covered for. Phil will get the figures for any comparisons that can be made.

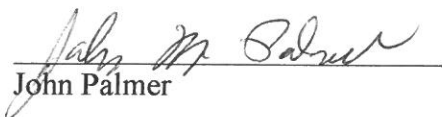

Cynthia and Harry Eddy came in to discuss purchasing the Heli Modified building. They also discussed where the lease money goes and what it is used for, and the grants received for the paving of the parking lot and roadway. Carlton will call to initiate review of proposal.

The minutes from the last meeting were signed. The Accounts Payable and the Payroll Warrants were signed.

There was a discussion on the York County Emergency Management Agency meeting on March 1st. They thought the selectmen should go to these meetings but with such short notice Carlton and John couldn't go. They will ask Vinal if he is back.
