

MINUTES SELECTMEN'S MEETING - April 11, 1988

Present: W. Neal; R. Othuse; T. Carper

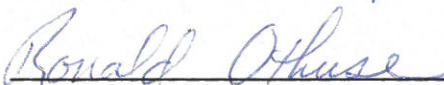

- 1) Motion made and seconded that the Computer Co. be paid. VOTE 3-0.
- 2) There will be a meeting April 12 with Normantus at the Milliken School re transfer station. Selectmen are invited. He proposes transferring rubbish to MERC, using excess for his lumber business.
- 3) Tom and Warren walked the Chalsco property with the Selectmen from Parsonsfield. It is the most accessible property, but price is too high. Not realistic to sell off lots - who would buy a lot next to a transfer station. The other property by covered bridge which is owned by Garners. Warren doesn't feel price would be too high. Tom would like to go door to door. Cost is \$45 per ton. Limington trucks to Portland. Limerick is going with recycling and their door to door is only what MERC will take. Still have to have stump dump and someone to sort. We should stay with Normantus for another 5 years and see what happens down the road. If the Chalsco property of 56 acres is purchased, the property will go off the tax roll.
- 4) LAST MEETING THE MATTER of S. DiBiasco's offer of land for a salt/sand storage was tabled. Gloria Day's contract is up. MOTION MADE AND SECONDED THAT WE DRAW UP GLORIA'S CONTRACT FOR \$1000 for use of the land for the winter season 1988-1989. VOTE 3-0
- 5) D.O.T. sign: Maynard & Annie Welch. Tom spoke with them, (DOT) and they will look into it. Also, 3 "Slow Children" signs for Spur Road. Spur Road is a Town road and we will have to buy them and put them up. Ronnie does not feel that the signs make any difference and if we buy one sign then everyone will want a sign erected. There have been no accidents on Spur Rd. Signs cost \$16.15 ea. and posts 11.25 each. TOM MADE MOTION THAT WE PUT UP TWO "SLOW CHILDREN" SIGNS ON Spur road. No. Second. Ronnie suggested that we order the signs and they can put them up and they will be billed for them. Tom will get in touch with Cathy Lane and let her know where she can get signs.
- 6) Date changed for clean-up day.
- 7) Alan Chamberlain wants to move monument at Limerick/Cornish line to widen driveway into Frankie Carrolls lot.
- 8) Meeting adjourned.

Respectfully submitted,
