

SELECTMEN'S MEETING
APRIL 17, 2002

The minutes from the last meeting were signed. The accounts payable and the payroll warrants were signed.

David Sawyer didn't show up for this meeting.

There was a discussion on the recycling bin. It needs to be moved to a more accessible place. They discussed putting it behind Pike Hall, and then thought the corner of Thompson St. and School St. would be better. M&H could put gravel down instead of reclaiming it. They would also have to have someone on duty when it is open.

Carlton asked that Charlene or Carol get in touch with Trio and order the assessing program for the computer.

Maurice Ouellette came in to discuss some complaints that the Sheriff Dept. has been receiving. The first one was about noise control. The second one was about cleaning up the junkyards around town. The Sheriffs have no jurisdiction over either of these matters.

Carol asked for a decision about the request for a pay raise. The pay raise was approved, but they need further clarification on the sick days and paid holidays.
