

EMERGENCY MEETING
BOARD OF SELECTMEN
TOWN OF CORNISH

APRIL 22, 1992

Emergency meeting called to order by Chairman Vinal Pendexter at 7:00 p.m. at the advise of Maine Municipal Association attorney Richard Flewelling to rescind the awarding of the snowplowing bid and further, to postpone the award so those who need to can get bonds, and then at a later date award the bid. Selectmen will notify in writing all three people, and give the people who didn't show bonds an appropriate amount of time to obtain proof of bonding. Carlton Candage made motion to rescind the award of the bid for snowplowing and sanding for a period of 15 days. Donald Jack seconded. Carlton Candage and Donald Jack voted for; Vinal Pendexter abstained.

The letters were drafted, typed, and sealed this evening, to be posted next morning.

For future contracts included this phrase: "This contract represents the entire agreement."

Motion by Vinal Pendexter to adjourn. Seconded by Carlton Candage. Voted unanimously.

Carlton Candage

Respectfully submitted,
