

MINUTES OF SELECTMEN'S MEETING
APRIL 4, 1994

1. Proposal received from Dennis Lowd - Mowing the Park and Town Hall for the same price as last year. Motion to go ahead and have him do for another year. Seconded. Vote 3-0.
2. Jon Pease came in - would like to know the status of his road? It is the same as it was at Town Meeting. The road was presumed abandoned do to the lack of maintenance. Can't find any maintenance records for the Marryfield Rd. Jon says it is a County road, Carlton can't find anything in the County records. Jon says that the Selectmen of Cornish and Limington got together and bought the road in 1883, there is a question as to what road was bought. The State Statute on abandoned roads was read out loud, Chapter 3 page 11. It is Carlton's opinion by reading this that the road is abandoned and it is up to the land owner to prove differently, based on the fact that there is no evidence of municipal moneys being spent on the Marrifield Road. Jon wrote a six page letter and would like a response to it. He would also like the Town to find out where the Town lines are. Vinal suggests that we talk to a surveyor to find out. Motion to allow Vinal to get intouch with a surveyor to find out where the Town lines are on the Marrifield Road and to respond to Jon with a letter and try to get it done within a two week period. Seconded. Vote 3-0
3. Mickey Emerson came in he has concerns with the sewer project Will they clear the property so there aren't any trees, he has a well will this affect his water, and will his property value go down? There aren't any plans yet, the engineers haven't approved the soils yet they have been hitting a lot of ledge. But if it does go up there it will only be a leach field. As soon as the Selectmen find out anything they will keep him posted.
4. MERC Tipping fees down to 47.46 a ton.
5. letter from Paul B. Watson attorney at law RE Bob Libby's application for a Borrow Pit. 5 acre min. 80 max. internal drained 5 acres open at a time. Questions on the affects of the water supply? It hasn't gotten the Town's approval yet, this is just a copy of the application. send a copy to Ken Leavitt.
6. Holly Innocents request for 94-95 appropriated moneys. Motion to file in the unpaid until we get the 94 tax revenues. seconded vote 3-0.
7. received letter from the Department of Admin. File.
8. Motion to go into executive session Seconded Vote 3-0
9. Letter from York County Municipal on Community Meetings. No interest.
10. Block grant meeting the Selectmen are to establish a Committee Motion to establish the Cornish Development Committee. Seconded Vote 3-0.
11. calculate tree growth penalties and start setting times to do new building permit taxes. Sunday April 10th at 9:00am.

12. School budget meeting Wednesday April 6
13. Motion to adjourn. Seconded Vote 3-0.

Whendy Nason, Secretary
