

**SELECTMEN'S MEETING
MAY 2, 2001**

The minutes from the last meeting, the accounts payable warrant, and the payroll warrants were all signed.

Two Intent to Harvest permits were received. One was for Paul Brown and one for Norm Scott.

Central Maine Power Co. sent a form that needs to be filled out for malfunctioning streetlights. They need location and pole numbers.

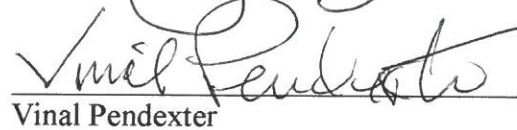

There was a discussion on the need for Internet hook-up and an electronic registration program.

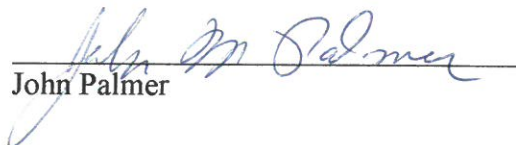

The revisions on the 911 map have been completed. They have to go back to the state with the Post Office approval. When they come back addresses can go out.

There was a discussion on the specifics in the contract for curbside pick-up i.e.: white goods advertising ect.

The Selectmen will be assessing Saturday May 5, 2001.
