May 24, 1977

Regular meeting - all members present.

Request of Hazel Martin that a telephone pole be set near Beverly Martin's trailer on the Old Thurston Road back of the Fairgrounds granted if it met legal requirement of being 12' from center of road.

Discussion on town acquiring the Odd Fellows Hall as a gift plus \$1.00 and what it could be used for. Voted to name a committee at the next meeting. The committee would look over the condition of the building and possibility of its use to the town, etc.

Mr. Pike reported that the windows in the George Woods house had been broken and also that the family had a few things in the house they would take out but the stoves probably would be repossessed by W.B. Tripp, Inc.

Discussion on printing minutes of Selectmen's meetings brought up by Mr. Prince. He suggested that a member of ~~the~~ Citizen's Committee could do the reporting. Voted to decide on procedure by next meeting.

Mr. Estabrook requested the names of members presently on the Planning Board and also the five citizen members appointed to work on the zoning article. The 2 alternates will be contacted before the next meeting and appointed at that time.
