2. Garth and Bidget Miller came in to discuss Watson Road- They are trying to buy a piece of the Day Property and have questions on weather they will be trespassing to get to the property. The status of the road is the Town has maintained it up to the shed, from there on it is abandoned. Abandonment the property came together, but there is still an easement for any one who owns beyond. anything beyond the shed has to be maintained by the owner. Carlton's stand is that the road has been abandoned from the tractor barn on.
