

**SELECTMEN'S MEETING
JUNE 12, 2002**

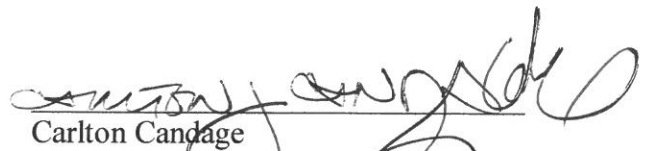

The minutes from the last meeting were signed. The accounts payable and the payroll warrants were signed.

Vinal hasn't been able to reach David Sawyer to get him to a meeting.

David Whitney came in to talk about the pile of gravel that he is buying from M&H up at the fairground. He needed to know what the town agreement is with M&H about reclaiming. Carlton will try to get together with M&H and David to find out.

Vinal wanted to know what the breakdown on the County tax was. They will try to get one.

Charlene submitted a proposal; to get vital records put on microfilm. The selectmen decided that it is too involved and archaic. It should be done on CD's.
