

**SELECTMEN'S MEETING**  
**JUNE 25, 2003**

The minutes from the last meeting were signed. The accounts payable and the payroll warrants were signed.

A letter was received from Shellie Davis concerning the traffic on Rt. 25. She has had a few episodes of nearly getting run down while crossing on the crosswalks. He was also asked about trucks being allowed to run all night at the truck stop, and about engine breaks. Vinal has put a call into MDOT about the problem and the guy will call him back. Peggi asked if the selectmen had any say in what speed limits were set. The only roads that the selectmen can control the speeds on are town roads. Diane mentioned that the speed limit on the South Hiram Rd. is too fast coming into town. That is also a state road.

Diane also had some tax accounts she wanted to discuss. She found some lots that were entered in the computer twice and some map problems. The map problems will have to be straightened out by O'Donnell and Associates. The tax problems will be corrected and the payments put on the proper accounts. Vinal and Peggi said that they would come in on Thursday to enter in the new assessments for the real estate tax.

A general assistance case was also discussed. John will get in touch with that person.
