

Selectmen's Meeting
June 7, 2007

Vinal Pendexter, Peggi Aspinall, and Nancy Perkins were present for the special meeting.

The major purpose of the meeting was to review and discuss the planning boards information relative to the tower project on Hessian Hill (application of David Bower). A letter from Daniel Sherman was read by Vinal to the other selectmen. The letter stated that the information requested would be forthcoming.

Motion to go into Executive session. 1MRSA 405 (6)(A)

Motion made to resume special selectmen's meeting. Seconded Motion made that a detailed letter be sent to Dan Sherman regarding personnel matters in relation to his chairmanship/membership of the planning board. Seconded.

A discussion of a classified ad for secretary to the planning board was reviewed and approved for submission to the Shopping Guide. Advertisement will run 2 weeks.

Minutes and warrants were reviewed and approved.

Nancy expressed a desire to participate on the board of the SMRPC meeting on June 27th to gather information regarding two (2) grants that will be available. Peggi will check her schedule for availability and may attend.

A pole permit was signed for Brackett Road.

Nancy informed the selectmen of a general assistance application received last week from an individual that had just moved into town over the weekend. While she was processing request for assistance the applicant withdrew the request.

It was decided to address fuel oil for the next heating season at our 6/20 meeting. Nancy will call around for pricing prior to the meeting.
