Saco River Corridor is not involved, it has the least amount of easements. using 3 acres of that site and run public water to the 3 houses involved, the DEP will pay for water to be run to these 3 houses if they want it if not give them the option to hook on if anything goes wrong with their wells in the future.  
Brad and Val-there may still be room for a house on the lot. could be they could give the Town an easement on the 3 acres.  
Vinal is going to see if Bob can do up a letter with some options that Brad and Val can consider, and Vinal will talk to them
