

SELECTMEN'S MEETING
JULY 24, 2002

The minutes from the last meeting were signed. The accounts payable and the payroll warrant were signed.

Jean Pendexter and Jan Goldsberry came in to discuss the recycling bins. They are full and if they are going to be moved it ought to happen now. It was decided that they will be moved to the sand and salt yard at least until spring. They are going to invest in some new signs to see if they help keep things organized.

Paul Smith came into discuss the barn that is being built next to his property. It is a code enforcement or planning board issue.

A letter was received requesting information about the fence between the Jordan and Day property. Vinal remembered that it was laid out by Dean Wood. Carlton will call the lawyer and give him the information.

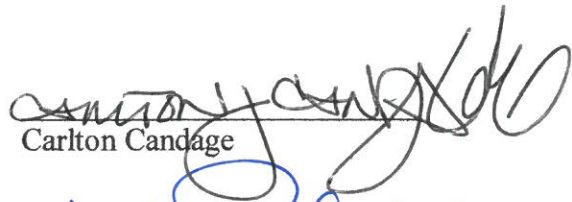

A letter was received from Brenda Sturgis questioning her tax assessment. Vinal will look at it.

An update was received about Merc and will be filled.

A letter was received from Adelpia about rate increases and will be filled.

Vinal brought up the need for no parking signs down by the park. Carlton is meeting with the DOT to discuss what needs to be completed.

Carlton brought up the fact that the millpond has been drained. He wants to find out if the DEP has any control over that.
