MINUTES OF SELECTMEN'S MEETING - August 21, 1989

Present: W. Neal; R. Othuse

1) M. McCulloch here regarding key to entrance of the building and to Selectmen's office. She feels she has a lot of meetings and needs to have the copier available. Also she feels she needs access to the telephone. The selectmen feel that it is nothing to do with M. McCulloch, but if one committee head has a key to the office, another will want one and the prime idea was to keep the keys to a minimum.

Deed has to be voted on by Townspeople as well. Letter to be written to Patten Corporation in regard to increased costs of recreation in regards to their subdivision.
