

MINUTES OF SELECTMEN'S MEETING  
AUGUST 26, 1985

The following items were discussed:

1. Freddie Hayes has bill for Jordan (?) for keeping his dog. \$5 when dog is picked up and \$2.50 per day for keeping it. Freddie will build a pen to keep dogs 2-3 days.
2. Eva Lord's House: four boys were caught breaking windows. Don spoke with parents.
3. The sidewalk across from Chet Small's has a big chunk out of it. Also, bad in front of Jr. Edgerly's. The fellow that repaired the sidewalks last year is interested again this year and also the man that did the steps is interested. Must get at them right away.  
  
Don is to attend a meeting with National Guard in regards to their building a Little League Field at Cornish School, etc. They do not have the equipment to do sidewalks.
4. Painting: Thurman Mills is interested. Jack Morse, also. (this will include lights, windows and railing - oil-based paint and primed).
5. Mrs. Willard of the DEP met with Don. He has sent for Sewer Grant. 90% federal funding and 10% town.
6. Cable TV meeting September 11th at 7 PM. To see what the towns are going to do.
7. Solid Waste - to see what can be hauled into Biddeford. Marge Baker would like to come and speak to the towns.
8. Complaint of children playing in park. Throwing rocks at Masonic Hall. What do we want to do about this? We should have a Deputy, but this entails schooling of 100 hours. Need a sign in park stating "No Drinking Allowed".
8. Don needs his calculator cleaned - cost around \$35.00.
9. Tax bills are done - 1985 not changed.
10. Rocky still hasn't been contacted about the parking lot.
11. Co-Hi still not contacted regarding sign at 5 and 25.
12. Need more "No Dumping" signs at old dump, as someone has been dumping there.

Warrant signed.

Meeting Adjourned.
