

MINUTES OF SELECTMEN'S MEETING

SEPTEMBER 25, 1996

Called meeting to order at 7:00 PM.

Present: Carlton Candage and Vinal Pendexter.

1. Accepted minutes and warrant.
2. Signed Quit Claim Deed for Alan Metcalf.
3. Carlton called Bob Bowker and John Cleveland on follow up matter.
He could not reach HA Stone Fence Company.
4. Need to set up a time to met with Stephen DiBiasco.
5. Elywn Day came to talk to the selectmen about the additional roads to be plowed this winter. Elywn has a problem with John Pease's road, because he will have to go through another town to get to the piece of road that needs to be taken care of. He does not have a problem with Saco Woods. He would like the selectmen to put a revision in the contract about John Pease's road. He would like this to protect himself, if there is not a big storm he would not have to take care of the road. Elywn suggest that we should rebid the snowplowing contract. Elywn does not have a bond right now, he only has during the snowplowing season. He should have the bond all year long. Vinal wanted Elywn to know the history of the John's road. The selectmen will go over this and get back to Elywn.
6. The State Police wanted an estimate on the clean up of the Park and the library.

7. Motion to go to Executive Order.
8. Motion to adjourn. Seconded. Vote 2-0.
9. Meeting ended at 8:15 PM.
