Vinal wants a legal document stating that the ownership of the trailer has been transferred. Christine Oullette wanted to have her property joined on the same account also. Vinal said that the second piece of property is common land and it is shared by all the abutters so that they have the right amount of property for there house lot. The abutters tax bills need to be reached. Peggi will fix Joseph Foley's lot where the trailer is. Peggi also will check on the Austin-Sawyer lot that needs to be checked on.
