

My dad and I rode through  
your city this past October  
and I thought it was cool.  
I'm sending you some  
fairies for your city and  
town they will bring  
their magic touches  
to it. I'm a 41 year old  
person with autism, I'm  
a big fan of Maine & I'm  
sending touches from my  
fantasy world about my favorite  
song, and my favorite certain  
eras of time to it, may these  
fairies bring their magic touches  
and luck to your city and  
town,
